Dear Parent/Carer

Re: Year 11 PE Lesson – Horse Riding

At The Leigh Technology Academy we are committed to supporting your son/daughter with their academic studies, but we also consider it important to develop their social skills and enable them to experience environments outside their every day lives. We are therefore proposing to introduce a five week programme of horse riding, at 'Mount Mascals' in Bexley, during your son/daughter's Physical Education lesson.

Dates: **Darwin/Chaucer**

Monday 27th February

Monday 5th March

Monday 12th March

Monday 19th March

Monday 26th March

Cost: **£75.00 (£15.00 per week)**

The cost includes a riding lesson of 50 minutes, and all transport. The course is open to students of all abilities, including students who have never had the opportunity to ride before. Students will be taught by fully qualified staff and appropriate equipment, including riding hats, will be provided by the centre.

We recommend students wear suitable footwear to ride in (shoes with a slight heel), long trousers and wet weather clothing if necessary.

We are also giving students the opportunity to complete Pony Club Awards within their lessons, this is a recognised qualification and the only cost will be £22 for a year's membership.

If you would like your son/daughter to take part in this opportunity, please complete the attached form and return it along with £75.00 to the Finance Office. Places are limited so please ensure that money and forms are returned as soon as possible. Places will be offered on a first come first served basis.

If you have any queries or questions, please do not hesitate to contact me by telephone on 01322 620561 or by email on ehn@leighacademy.org.uk.

Yours sincerely

Emma Hunt

Re: **Horse Riding Lessons**

I would like my son/daughter to participate in the horse riding lessons, during Module 4.

I understand that the £75.00 will be non-refundable. Cheques should be made payable to **'The Leigh Technology Academy'**.

I include the amount of £22 for Pony Club Membership to complete Pony Club Tests.

I also delegate to the person responsible the right to decide on the appropriate medical treatment, including the administration of anaesthetic, in the event of any emergency that may arise.
