

16th January 2012

PTH/SHD/KIRKBIZLEY

Dear Parents/Carers

As part of the ongoing revision plan for Year 11 GCSE PE, The Leigh Technology Academy has arranged for Kirk Bizley to attend The Academy to deliver an interactive PE workshop on Friday 27th April 2012. This visit will be a great opportunity to help students prepare for their end of year examination.

During the day students will be briefed on the requirements of this summer's examination from the insight of a Chief Examiner who has written in excess of 100 examination papers and marked in excess of 25,000 examination papers. Kirk is also the author of forty books based on PE, including specification specific GCSE PE textbooks and revision guides. The day involves a series of interactive lectures covering topics within the specification as well as key revision tips. In addition, students will be presented with a booklet detailing the key points raised in each lecture.

Students need to wear full Academy uniform for the day that will run from 11.00 a.m. until 2.00 p.m. for those that are studying for the full course and 11.00 a.m. until 3.15 p.m. for those that are studying the double award. **Attendance at the conference is strongly recommended for all Year 11 GCSE PE students.**

This is a unique opportunity for students to improve and consolidate their theory knowledge and this is the first time we have been able to offer such an event to students at The Leigh Technology Academy. The PE Learning Area will be contributing to the cost of the day however I would ask parents to make a voluntary contribution of £8.00 per student to attend this event. It would be appreciated if all payments can be made by **Thursday 9th February 2012.**

Please do not hesitate to contact me at The Leigh Technology Academy if you have any questions regarding this workshop.

Yours sincerely

Mr P Thompson
Subject Leader PE
