Dear «Home_salutation»

I am delighted to invite you to an evening of performances, devised by Year 10 students, from Davinci and Brunel colleges.

For the past module, students have been working on devised pieces, based on a target audience of Year 9, and their topics taught in the PSHE curriculum. The students are now ready to perform the pieces, as part of their BTEC Diploma Performing Arts (Acting) Devising unit assessment.

The performances will be in the Drama Studio at The Leigh Technology Academy. The date is **Wednesday, 1st February 2012**, commencing at **5:00 p.m.** and ending, approximately, at 6:30 p.m.

As part of their assessment the students must perform in front of an audience, so we do hope that you can come and support your «son__daughter» on the night.

Should you have any questions regarding the evening, please do not hesitate to contact me, on 01322620443, or email to cpr@leighacademy.org.uk.

Yours sincerely

Chris Prosser
Acting Head of Drama.
